Congratulations&hellip; its in the can!

Thanks to all cast and crew who have donated their time on this project thus far. SuperHouse pictures was proud to partner with Jeremy Salo and CLV productions on their first narrative film production. Jeremy has been editing away on this project as we shot each scene and the hope is to have it done in time for entrance into this years Detroit Windsor International Film Festival&hellip; [www.dwiff.org](http://www.dwiff.org) . We will keep you all posted on what comes of &ldquo;Daughter?&rdquo; and future SuperHouse / CLV productions&hellip;

If you are interested in entering into the screenwriters group that formed &ldquo;Daughter?&rdquo; we just started and we have room.
